

D2L BRIGHTSPACE

BRIGHTSPACE CHECKLIST

With this checklist, you can easily check whether you have made all the preparations to deliver your teaching on Brightspace. Using the topics below, check that your course is fully set up on Brightspace. Because every course is different, not all topics necessarily apply to your course. So consider this checklist mainly as a guide.

PRACTICAL INFORMATION			
IS EVERYTHING	Important information such as the course manual has been added to "Course"		The gradebook has been fully set up. The <u>"setup wizard"</u> has been completed. The correct weight has been <u>assigned to</u>
	information". Information on how students can contact		each item and the correct grade scheme has
Ш	you with questions has been added to		been set up. If you wish to register attendance, this has
	"Contact details". Information on testing, assessment &		been set up under "grades" or via the "attendance tool".
	important deadlines has been added to "Assessment".	TOOLS	<u>Interactive tools</u> have been added and set
Document	TO DISTRIBUTION		up. <u>Discussion forum</u> and topics have been
